Virginia Asset Management (VAM) is a comprehensive, full service financial services and benefits firm headquartered in Richmond, Virginia. We strive to be the premier financial services firm in the mid-Atlantic region by providing our clients with advanced planning, advice, quality financial products, and superior service.

As a Financial Advisor, you will work with individuals and business owners to help them reach their short and long term financial goals by developing customized solutions to meet their needs. With VAM as your career partner, we support you and enhance your natural drive to succeed by offering extensive training, personal and professional development opportunities, a mentoring program, and a highly competitive compensation plan.

A career as a Financial Advisor is both challenging and rewarding. VAM is seeking motivated individuals with an entrepreneurial spirit to join our team. The ideal candidate is competitive, energetic, motivated, and goal-oriented. If you are seeking more...more income, more independence, more impact, visit us at the upcoming career fair or info session to learn more.

Currently, our 20 year-old firm is adding to our team in order to meet the increasing demand for financial advisors. Please email Crystal Huddleston at crystal.huddleston@vamllc.com. You can also call (804) 330-0711 to schedule an informational meeting to explore a career with one of the largest independent financial advising firms in the area.
