

VIRGINIA ASSET MANAGEMENT

The power of independence.

MATTHEW HALE, AIF®, CHFC

FINANCIAL ADVISOR

Matt brings over a decade of experience in managing investments for both institutions and high net worth individuals. Since merging his firm with Virginia Asset Management, Matt's leadership, knowledge, and commitment to delivering real value to his clients, has been crucial to the success of the practice.

Matt focuses on three key areas when working with clients; learning what is most important to his clients, developing a plan that will allow them to attain their financial goals, and educating them on the process. The real benefit, in addition to the clarity and confidence his clients gain in their financial future, is that he ultimately becomes a valuable resource to them.

Matt received his undergraduate degree from the University of Richmond where he was fortunate to earn a varsity football scholarship. He is a lifelong learner and always strives for knowledge.
